What to Expect When God Calls

Exodus 3:1-14

Group Member Discussion Questions:

As you watch the Digital Crimson video by David E this week keep these questions in mind and prepare for group discussion in your Digital Small Group Meeting this week.

1. "Moses and the Israelites were about to face some 'unheard of things'. When God calls we can expect it to be challenging. What is one of the challenges they faced that resonates with you personally?"
2. In the video, we heard about how when God calls you can expect it to be challenging and humbling. We can expect God is already moving and will provide. When God calls what else can you expect? How would you answer this question?"
3. We have the advantage of looking back at the story of the Exodus and see Israel's mistakes and victories. How do you want to look back at the spring of 2020? What are you going to do to make sure this is a season of obedience and influence?"
4. Spend some time praying that the Lord will use this time to do "Unheard of Things" through you, in our families and friends, in our community, and around the world. "
